Dear Mrs Gardner,

Current Account Tariff Review Account Number 20354684

We are writing to inform you that following a review of your recent transactional activity we have identified that the turnover of your Current account no longer matches the tariff you are on. We have taken this opportunity to review your tariff classification and have adjusted it to Unity Current Account T2. This change will not alter your account number, any direct debits or standing orders you may have set up on your account.

Details of the tariff adjustments are as follows:

Previous Tariff: Unity Current Account T1
New Tariff: Unity Current Account T2

For further information and key features of your new tariff please visit
<https://www.unity.co.uk/business-banking/business-current-account/>

This adjustment will come into effect by 08/07/2024.

Should you have any questions or require further clarification, please do not hesitate to contact us at 0345 140 1000*. Our dedicated team will be happy to assist you.

We appreciate your understanding and continued trust in our services.
